NOTES: As per usual when 2 players play each other the winner will receive either 10% or 5% of his/her opponents points score, depending whether the higher or lower ranked player won. Points awarded and positions will be based as above for the whole tournament (both rounds). The positions and points above are based on the 3rd Update to the senior Ranking list season 2005/6 31st January 2006, as per the rules of the tournament. The total points won will then be added to the Master (Senior) ranking list at the end of the season, along with points won in the Nationals.
